

INTERCOMPANY USED VEHICLE TRANSFER FORM

All Used Vehicle Transfers must be documented using this form and distributed to the Inventory Managers and Used Vehicle Directors for each dealership involved. This form must accompany the wholesale ROS and Vehicle Purchase forms turned into the offices at both dealerships.

Retail Deals, Transfer Price is \$500 over net cost with packs removed for Purchased Vehicles, \$1,500 over net cost with packs removed for Trade-Ins under 30 days in stock (\$500 over 30 days in stock) or \$500 over advertised price for vehicles that are advertised at a loss in excess of \$500.

Aged/Inventory Movement transfers will be sold for book not to exceed \$2000 in miles add. Vehicles may be transferred above or below book proportionally between the vehicles being traded at the discretion of the Used Vehicle Director or if agreed upon by the General Managers of each dealership.
